Prez Sez

Prez Sez for December 2015

Hi from the Saints club.

Elections

All existing officers were re-elected. Mike Dierker agreed to serve as treasurer until we can find someone to replace him. The club really needs someone to step up and take this position. Please contact Mike or myself if you are willing to take this spot. Mike and I will show you what you need to do. Mike has everything organized so the transition should be easy as possible.

Christmas Party

The Christmas part will be at Tony's On the Main like we did last year. This will be instead of our regular meeting. The party will be on Friday, December 11th at 7:00 p.m. We give away two \$100 attendance prizes for members based on a drawing of the attendance tickets you filled out during the year at the meetings. We will also give away two \$50 attendance prizes to members in attendance at the party. The menu can be seen at: <http://www.tonysonmain.com/Tony's-On-Main-Restaurant-Menu.html#Tony's Entrees>

Next Meeting

The next regular meeting will be on January 14th at 7:00 P.M. at the Mark Twain Hobby shop. As noted above the Christmas dinner will be in place of the December meeting.

Meeting Minutes

November Meeting Minutes

The meeting was called to order on 11/12/2015 by our President, Richard Jenkins.

The roll call was made by Doug Sanders our Vice President. There were 8 members present. There are 58 members on board, including 2 non flying members. Please turn your applications in for next year. There were no new members or visitors.

Treasurer Report Mike Dierker, was present and gave the treasurers report.

There was a motion to accept the Treasurer's report as given. Approved.

There was no motion to accept the Secretary's report as there no minutes from the last meeting.

Field report: Field is in good shape, no issues from members flying this month, including me.

Old business: Not quite old business, but we talked about AMA rulings on Drones only. They are coming up with a ruling on a definition as to what a Drone is. Theoretically you're supposed to have you AMA number on your plane when flying both inside and outside.

New Business: We held the election of officers for the upcoming year. Richard Jenkins will retain his position as the President of our club. Doug Sanders agreed to retain his position of Vice President. Mike will perform the duties of Treasurer until a member steps up. We took a vote by acclamation for the slate as given. Motion Aye, No Nay's.

Mike Dieker has everything on the disk for a convenient handoff to the volunteer for the treasurer position. All the forms, etc. are in Microsoft Word.

At the meeting, we conferred the Awards for next year. The members that were present at the meeting tallied votes for 'Member of the Year' and 'Officer of the Year'. We voted for crash of the year. I was a bit anxious that I would get this award for crashing two planes in one day due to a broken transmitter antenna. But instead, the award will go to John Bruno for longest crash of the year. John and several members, including myself and Pierre, spent time searching with John for his lost plane in the corn field. The search lasted many days and was eventually recovered when the water on the field receded. John also searched with his quad copter when the water was up.

Richard is making a bomb for his P40.

Bill McMenemy attended the meeting. It was really good to see him at the meeting.

Dec. 11th we will have the Christmas Party. There will be door prizes (2 fifty dollars), and then 2 drawings of 100 for the attendance prizes. You don't have to be present to win the attendance prize.

John Bouchillon, Cecil White, Bill McMenemy and Doug received the Mark Twain cards as attendance prizes.

Glen will not doing the refreshments next year. Thanks for your support at the meetings.

Show and Tell: none
