### **October Meeting Minutes (10/9/2019)**

The October meeting was called to order at the Mark Twain Hobby Shop on 10/9/2019 by our President.

**Roll Call** – There were 11 members present, we have 43 members total. Includes Richard Howard, new members this month. Richard is not new to flying, he is a builder. He has kits.

**Treasurers Report** - Our Treasurer Jim Benedict presented the treasurers report. There was a motion to approve.

**Secretary's report** – approved.

**Safety report** – None

**Field report** – Frank drove by the field and saw the North end had water on it. At meeting time there had been lots of rain up north. At meeting time, the field was still accessible. Be careful not to fly into the water. Field was good for the Club Fly In.

**Old business** – None.

**New Business** – nominations for officers for next year. We are open for nominations. The existing officers. The election will be held in November, if anyone wants to get nominated.

Member of the year and Officer of the year will also be chosen at the Nov. meeting and the awards will be announced and given at the Christmas Party.

Frank Eck found a possible flying field near Moscow Mills east of Hwy 61. The field is now a 10-acre corn field with a big metal building on the property about 2-mile South of Moscow Mills off Hwy MM. Frank may draw us a drawing. We talked about getting a drone shot. There is a gravel road up to the field.

Richard attended the Warbird Fly-in at Rend Lake.

There were about 40 flyers/pilots. Richard flew his P40. He was really impressed by a B24 Liberator which was museum quality. The weathering on the paint authentic. There were simulated bullet holes on the glass canopy. It had four 20cc gas engines and a 100" wingspan. Extremely detailed. Richard will get pictures and video.

**Show and Tell** – none.

**50/50** – New member, Richard Howard

**Attendance Prizes** – Sherril (Richard Howard's accomplice) 20-dollar gift card.

Motion to adjourn

Corrections to last month's meeting minutes:

Jim won the attendance prize last month.

Bill McNenamy won the 50/50

**Show and Tell** – none.
