## **Meeting Schedule**

**Meeting Dates:** 2019: Oct 9, Nov 13, Dec TBD

**Meeting Time:** 7pm

**Meeting Location:** Mark Twain Hobby Shop

## **Meeting Minutes**

### **September Meeting Minutes (9/11/2019)**

The September meeting was called to order at the Mark Twain Hobby Shop on 9/11/2019 by our President.

**Roll Call** – There were 11 members present, we have 42 members total. No new members this month.

**Treasurers Report** – Treasurer Jim Benedict gave the treasurers report. There was a motion to approve.

**Secretary's report** – approved.

**Safety report** – The box with first aid kit and fire extinguisher along with two tables have been mounted to the pavilion by Don Bollinger. The combination to the medical box was given out.

**Field report** – Field was mowed on the previous Tuesday.

**Old business** – Frequency Board. Prez sent out an email, 21 votes received, 16 yes to eliminate, 4 no and 1 with a question. The question came up about AMA requirements, and it was mentioned that they don't have a safety rule, but in the field specifications they do say you have to have one. We have to have a fire extinguisher, a windsock, etc. if you have 72 MHz you have to have a frequency board. This was in the AMA field specifications. 2.4 Ghz doesn't require having to be in the board. Prez was going to do a 30in by 30in board. He is going to put the clips on it. Safety rules will be modified to eliminate the 2.4.

Frank Eck sent a note out to the AMA, thanking them for the money they gave us. No report on how we spent the money on. The Windsock, Frequency board, and removal of debris were o.k. but power washing was not to be included.

**New Business** – The club decided to have a Fun Fly & barbeque Saturday Oct 5<sup>th</sup> with the 12<sup>th</sup> as a back-up day in case of rain. Pork Steaks and Chicken along with some other stuff will be for lunch. Party will be for us, not the boy scouts. 9:00 starting time. Members volunteered to bring food items as well as drinks, plates, utensils, and some amenities.

Richard is going to the Rend Lake Warbird fly-in. He will take his P40.

**Show and Tell** – none.

**50/50** –

**Attendance Prizes** –

Motion to adjourn
